## POISED FOR SUCCESS

ROUND ROCK, TX, May 17, 2011 — KAHickman Architects and Interior Designers, a 28 year old Round Rock founded firm, is pleased to welcome Ryan Hansanuwat and Jennifer Kuenzler to the team.

Hansanuwat fills the role of Lead CAD Technician and brings more than six years of experience to the firm. After earning his Bachelor of Architecture degree from Cal Poly Pomona, he earned his Master of Building Science degree from the University of Southern California. Hansanuwat will soon be a licensed architect in both California and Texas.

Kuenzler serves as the Executive Assistant to the Principal. Since receiving her Associates of Arts in English Communications, Kuenzler currently pursues her degree in Organizational Communication at St. Edwards University.

We are excited to have both Hansanuwat and Kuenzler join the KAHickman Architects and Interior Designers team.
