Another Licensed Architect at KAHickman Architects and Interior Designers

ROUND ROCK, TX, July 12, 2011 — KAHickman Architects and Interior Designers, a 28 year old Round Rock founded firm, announces the success of its newest licensed team member. Last May Ryan Hansanuwat aced the Architectural Registration Exam administered by the National Council of Architecture Registration Boards and on June 20, 2011 he aced the California Supplemental Exam.

For Keith Hickman, Founder and Principal of KAHickman Architects and Interior Designers, the commitment to remain in constant pursuit of architectural expertise is the foundation of inspiring, functional design. We are excited to have Hansanuwat on board and congratulate him on his success.
